Dedication

With heartfelt gratitude and appreciation for her untiring efforts, we, the Annual Staff of 1951, dedicate this annual to our faculty advisor, Mrs. Laura Geddes.

Without her continued cooperation and helpful advice, the annual could not have been a success.

During her past years of service in this school, she has accomplished much towards improving our school standards. From the entire Graduating Class a fond farewell, Mrs. Geddes, may your future years be equally successful.

History of Senior Class of 1951

It was September and a particularly eventful day; the first day of school for June Marcus, Betty Brunner, Vera Mae Snider, Mary Jean Schill, Vernon Rapp, Charles Sovereign, Charles Rogers, and a set of twins, Betty and Bob Evans. These pioneer members of the class of '51 made an auspicious beginning. They proved themselves eager students and happy groups of noisy youngsters at recess.

The school routine was broken by several excursions. One was an outing to the Cincinnati Zoo, another a visit to Fort Ancient.

As the class added to its store of knowledge members were added too. Betty Lou Shepherd joined in the fourth grade and Mary Jean Schill left, then Joe Scott joined the class in the fifth grade. Ray Holland, Roy Keenan and Lenny Partin came in the sixth; Vernon Wagner, Donald Ramsey, Robert Breving and Don Rumpke in the eighth.

When the class completed the first lap of its educational journey and entered the first year of high school, Sylvia Schwemberger, Clara Heikenfeld, Virginia Carpenter, Donald Werring, and Robert Hawk became members and we were all initiated in a hilarious evening soon after. It seemed only a short time until mid-year exams lent a solemn finish to the half year of work and play in the freshman room. It was soon spring and the end of that eventful year.

The following September, 1948, all these same students returned and also a newcomer, Jeanne Imbus. Everyone arranged his schedule and was soon in the swing of school life again. It was in this year that we sponsored a dance, "The Snowflake Whirl" and also gave an assembly skit under the efficient supervision of Mrs. Corbett. As we saw and heard the juniors and seniors busily making plans for Commencement and for the Junior-Senior Prom, we realized more fully that the following years were to be the most eventful ones.

In the fall of 1949 all these students were the juniors and ready to start the year. We all studied U. S. History this year under Mr. Evans and learned how this country was founded and grew into the most productive nation that it is, and what great men shaped its destiny. In this year we sold refreshments at the basketball games. Under the expert direction of Mrs. Lohrer we presented our class play "Quiet Everybody" which kept us very busy for a while and the proceeds of which were our main income. We selected our class rings too. It was the year of 1949 and 1950 that Owensville Basketball Team advanced to third place in the county. The climax of the year was reached at the Junior-Senior Banquet in the spring and formal dance that evening in our new auditorium.

In the senior year we came to school with a new feeling of importance and proudly took possession of the senior class-room. It was then that we were happy to welcome Mary Jean Schill back to our class. This year we went Shakespearean and Mrs. Lohrer took us to "Macbeth" and then to "Hamlet" after we studied them in Literature. Along with our new senior confidence came added responsibilities, such as the preparation of our annual and the editing of our monthly school paper under the able direction of Mrs. Geddes, and the preparation of the class play.

The memory of our high school days will ever revert to our Thursday Folk Dances when under Mr. Lemon's skillful guidance many of us were taught the fundamentals of square dancing. This foundation will stand us in good stead, and to Mr. Lemon we say sincerely, "Thank you!"

As June approaches our feelings are mixed. Our carefree happy school days will be behind us. These "golden days" replete with memories of teachers and classmates have brought us a deeper understanding of life, coupled with a willingness and the ability to share our treasures, "School days, dear old golden rule days!" And the goal of all our endeavors--commencement, the beginning of future glories for the Class of 1951.

A Glimpse Into The Crystal Ball

One day as I was sitting reminiscing about my school days, which I loved truly, I thought since I hadn't seen my school mates for five years that I would take a glimpse into the crystal ball and see a few of my friends.

My first look took me to Cincinnati, where I saw a few of my school mates. First I saw Virginia Carpenter and her husband. They are very happily married. As I go a little deeper into the crystal ball it takes me to the University of Cincinnati in the boys locker room where I see Coach Donald Werring telling one of his star players, Robert Breving, some new plays in basketball.

As we come closer to our home town we hit Batavia, where I see Betty Brunner is working as a secretary for Vernon Wagner, Attorney of Law.

Finally I see Owensville appearing before my eyes and it takes me to the Owensville Fair Grounds, where Vernon Rapp is riding as the world's greatest daredevil, and June Marcus is selling tickets for the Merry-Go-Round.

While I was trying to find some more of my friends in the crystal ball, I heard a knock on the door. As I opened the door it was the postman, but it was not the same one that usually delivers. To my amazement it was my old school mate Joe Scott. I asked him in for a while and we started reminiscing about a few of our friends. He told me that Donald Ramsey was pastor of the Baptist Church in Owensville. He also said that Vera Mae Snider and Lenny Partin were singing as a duet team on the "Milton Berle Show." After he left I went back to my crystal ball and I saw that we had finally come to Hollywood where Donald Rumpke was now taking Eddie Cantor's place on television. After the broadcast we followed Donald to the control room where he met Roy Keenan, one of the control engineers. While in California we stopped at San Francisco's Naval Base, where we saw Admiral Robert Evans, training a group of recruits.

As my attention rolled toward home once more we stopped at Kansas City, to see the sign saying "Schwemberger Slaughtering Houses." We went in to find Sylvia as the president of the company. While talking to her I was told that in Illinois there was one of the largest coon farms in the United States, managed by Raymond Holland.

After leaving this part of Illinois, we went to Chicago to the State Fair where Charles Rogers was starring as "Champion Bicycle Rider" in the United States. During our stay at the fair we heard a great deal of noise and seeing a sign that read "Head of Baby Sitters Union," I started in to investigage. Much to my surprise there sat Clara Heikenfeld with a group of children sitting around her.

While in Chicago the Opera, Carmen, was playing at the Music Hall starring Jeanne Imbus.

Drifting back home we went to the Cincinnati Gardens where the main event was the ladies championship wrestling match with Mary Jean Schill against Betty Shepherd.

As the crystal ball was making its last trip around, it brought us back to the Owensville School where Betty Evans was presiding as principal and Charles Sovereign taking over as the coach.

Now we shall put the crystal ball away for another five years until we can take another glimpse into the years to come.

BASKETBALL AND TRACK RESULTS

BASKETBALL

Opening the season at Moscow with a 44-28 win, we followed it in our new gym, with Ray Holland setting a new home record of 22 points in a lopsided victory over Bethel, but followed our first set back 41-60 by Amelia.

The first of the annual Batavia-Owensville games resulted in a 50-48 win for the Blackhawks which Batavia avenged later in the season, 44-54. The team won a surprise triumph of 50-37 over the Alumni. We won from Goshen 45-42, a repeat over Moscow 72-25, Felicity 60-35 and won over Fayetteville 83-37, with Evans' new record of 32 points.

Owensville lost the N. R. 33-49, but scored lopsided victories over Felicity and Goshen, 58-37, and 56-40. After suffering upsets by Bethel and N. R. a smooth working Blackhawk team resumed winning ways in turning back Georgetown, 65-45, Williamsburg 55-40 and Amelia 49-44 winding up the season with a 50-46 win over OMI for a successful 15 wins and 5 losses for the season.

TOURNAMENT: Owensville won their first two games trimming Goshen 42-32 and sliding past N. R. 36-34 only to lose to Amelia 45-55 and then being upset by N. R. 41-45 who went on to win the tournament with "our boys" finishing third for the second consecutive year.

FIELD AND TRACK

Led by Captain Vernon Wagner the team finished their second season undefeated in dual competition only to finish as runner-up in the county meet to Batavia. The 1951 tracksters will be led by Captain Robert Evans. Letter winners last year were: V. Wagner, B. Evans, J. Lemon, D. Workman, C. Holland, R. Byrne, and D. Ramsey.
